

I still remember, back in June 2018, when I had decided to start my preparations for APSC CCE, I had little to no knowledge about the voluminous syllabus of General Studies, that was awaiting for me.

In this regard, I would like express my gratitude to the faculties of Borthakur's IAS Academy, especially to Hriday Sir, Mritunjey Sir and Kishan Sir for their guidance, that enabled me to ultimately achieve my results.
